“ *Barb and Judy,*

I am so sorry to hear of your Mom's passing. I remember her working for and with Jerry back at both Staples and at the Bertha Creamery. Most of all I remember both of you loving and caring for our children. Moving on our lives changed and I regret having lost touch with you. I am sorry also to learn that both of you have lost your spouses and your sister and brother. It is hard for me to imagine you being parents and grandparents too. May you find peace and love surrounded by family and friends at this time.
