“ Kallevig family,  
God placed Ellie here on earth and I was fortunate to have my heart touched by her. I feel blessed to have had the priviledge of caring for her and spending time with her family. I ask God to bless the Kallevig family in a very special way.  
"Their passing away was thought an affliction and their going forth from us, utter destruction. But they are in peace. Wisdom 3:2-3"

“ I only knew Ellie for a short time, but she meant a lot to me. I first got to know her when she was staying at the nursing home and then by working for her this summer. I really enjoyed spending time with Ellie, whether it was doing crossword puzzles or just sitting around chit-chatting. I cherish the time I have spent with Ellie and I wish the Kallevig family all the best.

“ I had the privilege to get to know Eleanor and the rest of her family in the last year. I feel so blessed to have had the time that I had to spend with Eleanor and get to know her. She was a blessing from above and a lady that I will never forget. I loved her dearly and feel so blessed to have gotten to know the Kallevig's. Although she will be missed dearly, she is with Jesus her savior! She lived a beautiful life doing what she did best; praising the Lord!
