“ What a dear, dear friend! Betty and I taught Second Grade together in Wadena. She was an inspiration to me and taught me so many things about teaching that a college never could or would. Betty may have been tiny and petite but her generous qualities, love for her family, and love of life were huge. Thanks Betty, love you!

“ What a beautiful lady. And - also, an excellent teacher. She was instrumental in the lives of so many of her former students. I so enjoyed visiting with Betty and her son at the grand opening of the new Wadena-Deer Creek Middle School/High School on August 29, 2012. She was so happy to be part of the festivities. Thanks, Betty, for all you have done. Rest in peace.

“ *To the Family of Betty Deadrick: I so enjoyed Betty while she resided in Briarwood, a senior living facility in Perham, MN. She was so knowledgeable about so many things and very interesting to talk to, especially when she shared her teaching memories. She will be missed by the residents at Briarwood as well as myself.*
