“ *The Jasmer's are terrific people, that goes to show what a great job their parents did. There are so many great qualities that I appreciate in my good friend Judy. Her loyalty and fun loving spirit are among two of my favorites. I have heard many neat stories of the card games that her dad and her played, the love between her parents. Very neat and I have all of the respect in the world for the job that Elsworth and his wife did! The legacy will live on in the lives of their kids and their grandkids, etc. Blessings to the family for their loss.*

“ Gloria and Bill, We were so shocked to hear about your dad and we are so sorry for your loss. When I think of Elsworth I think of his great smile, his humor, and your stories of him on his scooter and the distance he thought he could go on it! Gloria, take comfort in that you were a great daughter to him. You met so many of his needs the past few years. And your reward is the many good memories you created together. Memories last forever and eventually, there will be no more tears. That is the Lord's promise to us. Please know that we are praying for you during this sad time and let us know if we can help in any way.
