“ Brad, I am so very sorry for your loss. My girls asked me to extend their sympathy as well. They remember your Mom fondly from when we stayed at the house when we came to town for Bertha Days. Gosh, I have too many memories to pick just one. I always felt comforted going to the clinic when she was there. And then there was that look she gave us whenever we had some crazy idea for a fun thing to do. She was always working on a project: painting, sewing, or some type of craft. And then there were the popcorn balls at Halloween! I hope all of the good memories will get you through this difficult time. I'm sending you much love and prayers.

“ From the day I first met Eleverna, she always made me feel welcomed. I quickly realized what a talented woman she was and that she loved her family so. The fun memories of spending holidays with her and her family. Watching Brad mix up the famous Tom and Jerry batter during Thanksgiving. We couldn't wait to dig into that holiday drink. Watching Brad and his mom enjoy their traditional oyster stew on Christmas eve. I loved going through her recipe box and books. She always had a great story attached to them and was more than willing to share her cooking secrets. I will also miss having conversations with Elverna while we pulled weeds together. To a great lady friend of mine.
Thanks, Gossell family, for sharing your mom/grandmother with me.
She will be missed,
Sherry R
