“ To Elvie's family,  
How stunned were we when Pastor Gary announced in church on Sunday that Elvie was gone!! I am so, so sorry. The "good" men are really being weeded out and I am told we are not to grieve over losing them but to be happy we had them - I guess that is one way to look at it...but I would rather they were still among us. I know you will be surrounded with much love during these days and that is a great comfort. Just know you are all in my thoughts and prayers and that I love you all, very much!
