“ Eric and I went to Wadena High School together.
We met in the 1970's when I was his paperboy.
Years later, we roomed together for one summer in Minneapolis.
I will always remember his friendly demeanor and pleasant nature.
We had alot of laughs together.
He was really a terrific guy...
Smart, sensitive and caring.
I will miss you Eric.
My condolences to the Ness family.

“ The news of the loss of your son reached me here in central Oregon
where I am visiting my three children. We are all so very sorry to
learn of Eric's death.
Patrick has fond memories of playing hockey with Eric when they
were young boys. If I were in Wadena I would certainly be in
attendance at the service. Please accept our heartfelt condolences.
With love, Mary Ellen, Kristine, Patrick and Bill Kollodge
