“ Erma was someone who really loved life, especially when she was younger, she was always helping others, and enjoyed being involved with people. I really remember Kapps cafe smorgasbords, and I would always take your moms potato salad, it was so good, she was an excellent cook. She will really be missed, just remember my thoughts and prayers are with all of you. Love Kathy

“ Grewe family, So sorry to hear about your Mom, my thoughts and prayers are with you - I remember everytime I wanted to ride bike to see my friends Randi Braaten or Laurie Truax I would have to call your Mom and ask her to put that dog in - I can't for the life of me remember his name but that dog did not like me.

I also remember working with your mom at Kapp's Kafe - She made a great potato salad to go with the ham sandwich.

Take this time to celebrate your Mother's Life and know that she is in a good place.

desserts.
She will be missed at the ball games.
