“ Dear Albert, Evelyn, and family,
We are sad with you, and wish we could be there with you. I can't begin to count the memories that I have from "Uncle Art and Auntie Erna's." We learned about life on a farm there. From the cats and cows to the chickens and the outhouse. So much laughter around the big table, and if I think about it hard enough, I can taste those wonderful eggs. Auntie Erna's stories from Shady Lane, African Violets, the beautiful embroidery and the crazy quilts ... She was in many respects like a third grandmother to us. Our prayers and thoughts are with you today, and always. All our love, Martha and family
