“ I have so many wonderful memories of this wonderful aunt. She, Gordon and Effie spoiled all the nieces and nephews which we just loved. I recall staying there and them taking my brother and I to the drive-in movie where they allowed us to have as much candy, ice cream and other treats as we wanted. Later that night I re-deposited those items in her bed and she wasn't even angry with me. The times spent at the farm with all the cousins, aunts, uncles and Grandparents were the events that made my childhood happy and will be treasured forever. May Evelyn join those who have gone ahead, and keep her journal, to brief those of us who will follow later.

“ Evelyn was a wonderful person, and my very special Aunt. I spent two hours with her on Friday, holding her hand and telling her all the wonderful memories I have of her, spanning over 50 years. I stayed with Evelyn many times when she lived in Aldrich, and when I was younger I spent alot of time with the family at the Farm. My children also will carry these memories because of the visits they also had with her. I loved her and I will truly miss her. She will be in my heart forever.

“ Evelyn has been in my life for as far back as I can remember. She made me a 'stick' horse, showed me how to pick eggs, played button-button, I Spy, chinese checkers and of course card games such as kings corner, solitaire, old maid, etc. She will be remembered for all of this and my grandsons also got to do these things with her. We have lost a great matriarch. We will have very fond memories of her the rest of our lives.
