“ Jerry and Jim, I'm sorry about your mother's passing. She was always gracious and friendly when I visited with her. I have known your mother since she was a regular customer at Super Valu when we worked there when we were still in high school. I have not seen the two of you since we graduated! You seem to have disappeared. Your mother updated me a few times since then as to your whereabouts. And, the day of Mel's celebration of life at the VFW the two of you signed the guestbook and were gone before anyone else arrived. I looked all over for you when I got there. I hope that both of you have had enjoyable and healthy lives these past 49 years since we graduated. Next year will be 50 years, and I am beginning to work on the reunion, so, you will be hearing from me. Wouldn't you really like to see some of us again? We are still lots of fun. I think of you two often. Take care and maybe we'll see you next year?

“ I'll always remember the times when Steve, Mom, Dad and I would visit. Many times Mom and Evelyn would end up on the couch, chuckling and laughing at something. I don't think we ever knew what they were laughing about but it sure was funny from their viewpoint. Lots of good memories like that... visits, picnics, trips, special occasions.
