“ We dearly wish we could be there in person to pay our final respects. Our prayers are with Ev and all of you.

*Ev was such a sweet woman, so caring. She will always have a special place in our hearts for the months of care she and Erv gave to mom during mom's illness so many years ago. A very good person has left us but, we believe, is now in that very special place that was waiting for a very special person, Evelyn.*
