“ I would like to offer my condolences to the family of Mrs. Peterson. My mother, Geraldine Olson, is a resident of Someplace Special. I only met "Frannie", as they called her, a few times but I was very grateful for the friendship she gave to my mother. Mom was widowed two years ago and our family was concerned about how Mom would adjust in a new home after over 50 years of marriage and living in her own home. The friendship that Mrs. Peterson offered my Mom was, I am sure, partially responsible for my mother being able to adapt to her new surroundings. Mom valued Frannie's friendship and I am sure that my Mom would express the same sentiments. My mother has Alzheimer's disease and if she has not expressed any condolences, I would like to do this for her.

“ As a teenager, I spent many hours with Craig at the Peterson home. How could you not take an instant liking to Fran Peterson?; her personality, her demeanor, even just seeing her face again on this obituary reminded me of her instant likability. That's what I remember about Fran Peterson.

My condolences to Craig and the rest of the Peterson family.

“ Fran and Eddie were such great friends of my parents and our families grew up together. I have fond memories of water skiing at the lake, and other get-togethers. The last time we saw Fran was at Mom's 80th birthday party...they were so glad to see each other and Fran did not leave my Mom's side the entire time. Thank you so much for bringing her, Luann. She was a fun-loving, gracious lady and will remain in our hearts. I did not hear of her death until today or I would have brought Mom to the funeral home. Know that you will be in my thoughts and prayers.

“ We just watched & re-watched the video, and thought everything (including today's service), was such a wonderful tribute to a wonderful lady!

“ I remember Fran as a lovely, gracious lady who attended the Congregational Church when I was a young person. My sister, Ruth Kennedy, knew her sister-in-law, Dot Peterson, well. When my sons were in school in Wadena they knew Kip. I moved to Oregon in 2004 to be near my adult kids and my four grandkids so I am no longer in Wadena. If I were I would attend the service for Fran.
