“ To Monica and all her family - I'm glad I got to meet & visit with your Dad the times he came to visit you in Texas. I remember his smiling face and great sense of humor. I know he will be missed by all who knew & loved him. He had a nice long life here on earth and now can rest eternally.

“ I just want to extend my prayers to you and your family at this time. Your parents were so kind to me when I was at your home and even your cabin. It is so hard to see our loved ones leave but it is our memories we will have forever. Just know I am thinking of you at this time.

“ I want to extend my sympathies to all the family. I won't be able to come to the funeral as I signed up to work at the election. We were practically neighbors for many years. Would love to see you but I start that morning at 6:30 and get done at 9. Always enjoyed your Dad as our IDS agent. May God bless you all.

“ Dear Barb, Becky, Kathy, Monica and MaryBeth...so sorry to hear about your dad's passing. How wonderful that he lived such a long and full life. He will always hold a special place in my heart. Since 1978 when I first met my Barb and your parents I have had the pleasure of corresponding with your parents and then just your dad at Christmas. His was ALWAYS the first Christmas card of the season. He never just signed his name but always wrote me a little note about how much he enjoyed the pictures of MY girls. I guess we had that common bond..daughters. The writing may have gotten a little more difficult to read over the years but the thoughtfulness always came through. I will always think about him at the holidays and be grateful for having been able to know him. Much love and prayers to your entire family. Lisa Deutschman
