Georjean was one of the kindest, caring and loyal friends I have ever known. From our teen-age days in confirmation class, through high school and on to college, she remained a true friend. Always the leader in charge, it was a pleasure working with her on our 60th reunion. Her warmth toward everyone is a model for us all. Georjean will be missed, but wonderful memories will always remain. My deepest sympathy and love to Gary and family. Sonja Johnson Enstad
