“ *What a dear friend. I miss her already.
She always made me smile and laugh. I was so lucky to know her
and get to spend the time with her at the end. I will hold her
memories close to my heart. Thank you Jackye for sharing her with
me. I love you both!*

“ *We met and visited with Jerry when she was at the lake with Jackye
and Chuck. She was always friendly and full of smiles. She loved
her family and they loved her. She also loved her dog. We really
thought it was neat when at her age she bought a PT Cruiser. She
lived her life to the fullest. May all your great memories of Jerry
bring you comfort and happiness.
PS. Jackye your mom does look good in red.*

“ Jerry was so young at heart. A perfect example was when she sold her Grand Am GT to buy something "sportier" at the age of 81! Her family meant everything to her. She loved you all so much. What a blessing she was in your lives and the lives of all who knew her.

“ *Jackeye and family:*

I was very sorry to hear about your Mother. I used to see her uptown some days and would ask about how you were doing. She always seemed so happy and friendly. We left Wadena in 1997 and moved to Shakopee to be by our daughters and grandchildren. My heart goes out to you cause I know how it feels to lose your Mom. Take care.
