“ *Rosy and Family,
My sympathy goes out to all of you. I have many fond memories of Harvey as a 4-H Leader when I worked in the county. It was leaders like him that helped shape the 4-H program. I remember how he got everyone involved in things. He was always an advocate for the youth in the program.
Thanks for all the memories!
Many blessings,
Donna and Terry*

“ *Rosie & Family,
It was a pleasure to know your family and share in all the memories of 4-H and weddings, and visiting when we could. Remember that our Savior invites the worn & weary to come and rest their souls. This is where Harvey is as he truly lived a life worthy of his reward!
Our sincere sympathy as you grieve the loss of your beloved husband, father, and grandfather. love, The Collins' families*

“ *I will never forget that loud voice of yours when I would joke with you and I will never forget the birthday spankings received and given!*

“ *The many things I think of when I think of Harvey, Rosie and family. Late nights of Rook games, big bowls of ice cream, being almost 38 years old and having a set of God Parents that have never let a birthday slip by. But... the one thing that sticks out in my mind the most is, they many and I mean many birthday spankings I got from Harvey!!! However, they mysteriously stopped when he turned 40 years old, I am sure all of the kids that took part in that spanking of spankings we gave Harvey back will never forget it either. Us kids ganged up on him and he got it back 10 fold for all of those years, and he took it in stride and never even gave us the smallest hint that it smarted a bit.*

My thoughts and prayers are with you Rosie and family as you mourn your great loss, Harvey was one of a kind and will be missed.

Love you,

Melissa (Missy)
