“ *Harvey and Agneta became friends with me when Agneta and I were partners in our volunteer work as Pink Ladies at the hospital. Talking one day about our children, I realize that Doug Wright was her son. He was my plumber. That seem to make us closer. We had a lot of laughs together. I visited them at their home a few times and that was when I got to know Harvey. It was such a great joy to tease, laugh, and visit with these two loving folks. May they both rest in peace.*
