“ Grandma your touched the life of my Hubby,my Son & Daughter, and myself in your own Special and unique way. From you we learned the values of life, and the gift of giving of ones self. There is no other who gave as much to their family. God's Blessing to you,and may you have a Smile on your face as you join hands with those family members who are resting with you in God's hands.

Love and Peace,
Donna

“ *I have many memories of Pete coming in to the office when he had to work odd hours. He usually had just visited you and, of course eaten some great meal. He told many facts, that will always keep me reminded of both of you. They are etched in my mind.*
