“ Dear Lyle, Mary, Scott, and Kate,
Though I never met Helen, I can still imagine what a great mother and grandmother that she must have been. How do I know this? It's because you Lyle, and your family are so wonderful. She lives on through all of you. And all of you are a tribute to the person that Helen was.
May she rest in the loving arms of our Lord and may he continue to richly bless you all.
Much love,
Amy

“ She must have had a kind heart and a sense of humor because obviously she liked stuffed animals. I'd have liked her! Bless her.

“ Lyle, I've always felt your family was a part of our family. We did so many things together as kids. Remember those Sunday afternoon ride, stopping for a late snack before our Dads had to get home to milk cows?

And all the birthday parties that wouldn't have been complete without your mother's chocolate cherry nut cake. I treasure her recipe, although mine never tastes as good as Helen's.

I think of our families always on Maundy Thursday, when your family would stop for coffee after church.

In later years I'd lost touch with your mother, but she'll always be in my memories. I will miss her.

Bob and I send our sympathy to you and Mary, Scott and Kate.
