“Helen was such a dignified, intelligent, and collected person. I admired her for many years when we were both members of the 20th Century Club in Wadena, and thereafter. She always looked beautiful and classic, and took great care in everything she did. In these final years, she bore her physical ailments with an acceptance most of us could not muster. We will miss her, and hope to be able to attend the service to be held at a later date.
