# Tribute Wall

“ *Inez was the only aunt I had in my life. She and Roy meant a lot to me. I was sorry to hear she had passed away and no one had called me about her death.*

*I had more fun on their farm with her and Roy. Since they were the only extended family I had I enjoyed every minute with them.*

*I saw Inez the day before she died and she did not know me, which is OK as she knew that I had been there.*

*I thank Myron Beach for all the care he has given to Inez over the years since Roy passed away.*

*Life is so short, and the time I spent with Roy and Inez will always be special to me.*
