“ *Irella was truly a beautiful person, inside and out. She taught me to be more tolerant and to think a bit before I spoke. She was a lady of few words, but when she spoke it was with wisdom and kindness. I will never forget her compassion and loving care she gave my mom and my step-dad, Alice and Edwin Woessner. Our time together is my most precious memory and a precious gift from her to my family. God bless Irella Woessner.* ”
