“ Even tho we never met,you will always have a special place in our hearts.
Wait for us in heaven little one, we will be there soon enough.
Laugh and play with Great Grandpa while you wait and watch over all of us.
We will join you when our time comes and we will all be together once again.

“ *Isabella I will forever remember every minute that you blessed our family with your presence. I will miss your beautiful little face and the perfect cheeks with those big eyes staring back at me as we would sit and snuggle in my chair. You are a perfect little angel who we were lucky enough to share 42 absolutely unforgettable days with. Though we will miss you I know that you are in the hands of our heavenly father now and that is all any of us can hope and pray to be. Isabella you will always be daddy's little angel to me. Rest in peace baby and pray for us as we will be praying for you. Until we meet again I love you and will forever cherish the memories we have.*

*love,
Daddy*

“ *Isabella, you were one lucky little girl. You had wonderful parents that loved you so much, brothers and sisters that adored you, and many other people you didn't get the chance to meet that still cared for you greatly. God must have had bigger plans for you. Look over your family, especially your daddy. One day you two will be able to snuggle again.*
