“ *I will always remember the times in MN when Uncle Jack's family would come and stay with us, parents would hunt. We visited my Uncle a few years ago, just wished we had taken Mom with us so she could have seen her Brother one more time. I have enjoyed getting reacquainted with my cousin Kathy again. True confession from Mom and Aunt Nadean; when they left Kathy and I alone with the kids to babysit they went to town and had banana splits. :) roflol*
