“ Jack always had a quiet, friendly smile and greeting for everyone. His quiet, unassuming, unselfish nature was/is a role model for others. Jack never complained about his circumstances; he dealt with them one day at a time. We consider ourselves blessed to have known him. Jack will be missed, but also fondly remembered. May God bless and keep the Wallace family in the palm of His hand.

“ Deer hunting with Jack at the farm are some of my best memories. He was always outside when I came over to bowhunt, it was like he knew I was coming. Talking with Jack was always the "high" point of my hunting trips. Jack is a great man and the memories I have of him will stay with me forever! Thanks for all the great times and the Wallace family will be in our thoughts and prayers.
