“ *LDear Fred & family of Janice,*

I have many fond memories of times spent with Janice.

We were in band together and were cheerleaders for basketball and football.

It was so great to have spent time at our 50th class reunion last Sept.

“ For a few years while working at Crossroads, Jan also worked with us at H&R Block. She was a dedicated asset in our business and added to the spirit of the office with her bubbly laugh.

It was always a pleasure to cross paths with her while shopping in Wadena and catch up with her life and that of her family.

We'll miss seeing her.

Take care, Fred.

“ I was with Lisa two weeks ago and heard of the difficult time Jan and the family were going through in her fight against cancer. Our prayers have been with you and will continue through Jan's journey to a pain free place full of love and peace as the family copes with the painful loss of a loved one. We pray that you find comfort in your moments of need.

“ To all the people that made Jan so proud, I am so deeply sorry for your loss of your mom, wife, sister and grandma. What a special person she was to so many. I'll never forget all the times I spent with her when I was just a young child tagging along with my mom to the UCC church and other functions. She never wasted a moment to make me feel special. I'll never forget how genuine and so classy of a woman she was. I had the privilege of meeting up with Jan and Fred this last April in Arizona, I believe shortly before they returned to Mn. As short of a visit as it was, the entire time she spoke so fondly of her grandchildren. It was so clear how happy you made her feel. I pray that all the memories of her will help in days and months ahead. My prayers are with you all,

“ It is very sad news to hear of Janice passing. The video tribute was beautiful and the photos show Janice as such a sweet gal. The photos also illustrate Janice as a wonderful wife, mother and grandmother. Old memories were shining brightly this day even through the sadness.
