“ *I am so glad that Kathy and I got a chance to talk with your Mom on Friday and was able to make her laugh. It was so good to see both of you, Lori and Sherry but sure missed seeing Donald. Your Mom always liked to hear how we were doing and what our kids were up to! She will truly be missed. I am sorry that I won't be able to make it to the visitation or funeral, but I sure will keep all of you in our prayers!!*

“ While we did not have the pleasure of getting to know your mom, Sheri, we just want you to know that you are in our thoughts and prayers. She will be missed deeply, no doubt. We hope you can take comfort in the fact that she lives through you and your family. She had a tremendous influence on who you are today and for that we are truly grateful and are blessed that we are friends, even though we don't get to see each other as often as we would like. We pray that God's peace will be with you during the coming days and months.

“ Donny,
So sorry to hear about Jean. We enjoyed talking and visiting with her last summer at Sullivan's! She was a very sweet and caring lady with a huge heart! She always had a smile and a hug for Caleb! She was always friendly too! She will be missed greatly by everyone at Sullivan's but we know now she is in a better place with the Angels now! Prayers your way as you go through this difficult time. Take Care and God Bless You and your Family!
