“ So sorry to hear of the passing of your mom. I had been down a similar road with my own mother and know how difficult it is. We still have and use the many Christmas decorations that your mom made that you gave us over the years. We will remember her with those and keep her in our prayers.

“ *My deepest sympathy in the loss of your Mother. She was a lovely lady and will be missed. I first met her, where I worked, and then at Fair Oaks Apts. We had many nice visits.*
