“ *Thinking of you and your family John and Ann. Jeannett will be missed by many. She was a wonderful woman. I always enjoyed visiting with her on many occasions. Sorry we were unable to attend on Saturday. We had plans to come, but sickness changed our plans. Hope all went well. It is a beautiful video tribute. It was nice to view. You are all in our thoughts and prayers.*

“ *Dear John and family, we were thrilled to see the video of Jeanette's life. It was beautifully done. I totally forgot until today that we could sign the guest book. I was waiting to write a letter to John to tell him how much his mother was loved. I was so thankful to have met Jeanette in June of 2003. Les wanted to be at her funeral and was quiet and sad for days after. He is not well himself and unable to travel but we had all of you in our hearts. I sent a copy of the video to my family members and to Janis and Jim as well. All were so pleased to have it. Les loved the pictures, many of them he had never seen and all of them brought back beautiful memories. He loved Jeanette and knows they will be together again when the Lord takes him home. God Bless You.*
