“ I would like to send my sympathy and prayers to Jeff and his family. I graduated with Rod Goeller and grew up only a few miles from the Goeller farm. As my husband and I dairy farm now we understand the love of farming Jeff had and wish his family healing, love and support from God, your family and many friends.

“ I want to let the whole family know how saddened we are with the passing of Jeff. I am going to miss Jeff's coming into the gas station everyday and sometimes twice a day for his Dr. Pepper, Snickers and Pugsley. His tragic accident and death has left a huge void in many hearts.

“ Jeff was a great guy. I remember him at the family functions when I was in high school. He always had a bright smile to offer in every situation. He loved to hang out and visit with Uncle Rein and Uncle Arnie. I just remember him and Georgia together and Doug was usually there too. I will miss him a lot, eventhough I haven't seen him for so long. His spirit will live on in his beautiful daughters Alyssa and Jennifer. May God bless you all.
