“ To the Jeffery Dunn family,
I didn't get a chance to meet any of you. But Jeff and I worked together at Midnite. He was a great person to talk to and truck with. Always stopping by the truck just to see what's up and say "hi". My heart is heavy for all his family and friends who were awarded with the chance to be a part of his life. Heaven received another great friend, but much to young. Just know you are all in our prayers.....GOD BLESS

“ Missy ,what can I say to you at this time... I'm sorry for your loss... it's not enough....Jeff and you were a great pair so full of life, with a smile on your face where ever you guys went. Ok sometimes you would give each other that side look that said knock it off but then you guys would just laugh. The memories that we have of Jeff will stay in our hearts forever. It is going to be a tough road for you and the boys but always know that you have good friends and we want you to lean on us for anything at any time. May God hold you in his arms and comfort you.
