“ Jerry is forever etched in my heart with his gentle smile and kickback attitude towards life. I still remember playing football with Jerry (we were both tackles), even then he was kind and generous. He later told me he joined football simply to "belong". I moved away after high school but was recently privileged to reacquaint myself with Jerry and Annette K. at McDonalds. He helped me with my smart phone... imagine that I work in the industry but Jerry taught me stuff I never knew I could do with my phone. He shared his love he had with old time tractors and it was awesome to see the twinkle in his eyes as he explained things. I will miss you Jerry but I will forever cherish the real genuine kindness you shared with me.

God Bless You  
Myron

“ All through school- Jerry was always very kind. Recently, I joined Facebook and Jerry introduced me to 'Words with Friends'- which we have had a marathon going for the past several months- he was always so good about sending a word back within a day- myself not quite so good- usually every couple days. If I would miss a week- he would send a message concerned that something may be wrong. He sent his last word to me on 1/6/14 and I sent one back on 1/7/14- so, I will now have to just wonder what his next Word may have been. Will miss you, Jerry. Prayers for his family.

“ So sorry that this man was taken way before it was his time to go. I got to know Jerry when he came into McDonalds and also when he would come to watch the junior league kids at the bowling alley. Jerry always had a smile to share, a story, or a funny picture. You will be missed by many Jerry, rest in peace. :)
