“ Anna and family words cannot express how much Jerome has meant to me. He spent a lot of years trying to teach me about common sense. He was a great role model, friend, and dad. He is greatly missed by Jackson, Courtney, and me.

“ God has called an ANGEL home. We both knew that any time day or night if we would call and you both would be there and many times you have. I remember 28 years ago when we went to Nebraska and you and Jerome came and helped Tammy get 50 chickens a day over to Barb's to be dressed. Then fill the truck loads with sweet corn and then go sell yourselves. There are too many times to count when Jerome came and did chores for us so we could take a vacation. We will treasure the memories; even counting cows in the mud to have Jerome say April fool. Thank God that we were given the opportunity to share in Jerome's life. Your Family is like Family to us. Day or Night call and we will be there.
Love Ya

“ Anna, the kids and all of the extended family.
I want you to know that I am deeply saddened by the loss of Jerome. He was a big lovable gentle teddy bear who I respected very much! I really enjoyed giving him crap at our meetings and of course him giving it right back to me and then some!!! May it ease your sorrow to know that others who cared for Jerome are sharing your sadness and sense of loss. You are all in my thoughts and prayers!

“ There are a thousand words to describe Jerome: smiling, friendly, teasing, joking, warm, caring, hugable, and happy come to mind. He never saw the wealth (or lack of,) gender, IQ, or bowling ability in others - he saw people for their positives and never their shortcomings.

My favorite memories of him are when he would ruffle my hair and say "how you doing kiddo?" You couldn't help but love the big guy.

Jerome was one of a kind and will be deeply missed by all the people whos lives he has touched, including mine.

Anna and family, my thoughts and many prayers are with you.

“ I will always remember Jerry from bowling. He was always a kidder! He could match joke for joke. His smile was an enlightener. He will be sorely missed. My prayers are with the whole family as you travel through this tough time. May God bless you with comforting thoughts and the knowing that one day we will all be together. Art Blom sends his sympathies also. He too, remembers bowling and Jerry. We are all saddened to lose a friend. It is so hard to keep in touch, that when we lose a friend, it makes us realize how precious time and life really is. Jerry always had fun. What a wonderful guy. I will keep you all in my prayers and love. Jackie.

“ Anna and family, I was so shocked by the news of Jerome's sudden passing. My deepest sympathies go out to you and yours. Jerome and I had shared so many good times together! When I first began to fish with him, he brought his boat over for me to paint "Iceman" on it. Therefore, I nicknamed him "Icemy". It wasn't that much later that he started calling me "Icemy" too. (That stems from the fact that he and I fell through the ice once or twice too many while ice fishing). I'll never forget one day that Icemy and I were fishing on a lake north of Park Rapids. As we walked off the lake pulling a sled full of tullibees and fishing gear, the ice gave way about 30' from shore and down we went, sled & all. After getting to shore & removed our shoes & some clothing, here we were, wading around in water up to our armpits, trying to find the gear on the bottom with our toes. Although we retrieved most of it, some pretty expensive equipment of his was destroyed in the process. On the trip home, instead of being totally upset as some people would be, Jerome just laughed and joked about how only he & I were goofy enough to be out there in the first place. His sense of humor & prankster nature were awesome! I've also never met anyone who was more willing to jump in and selflessly help out a friend or neighbor when they needed it. Jerome will be so missed by so many!!
