“ I am sorry to hear of the passing of Jim. I would like to thank the Henry Waldahl family for teaching me the love of baseball to a cousin from North Dakota. It was real good of Jim to take me with him to pick up the model A from his grandparents place. When I was back there to Baldy's service he took me to his place to see that car. I do not have to wonder why he hunted in Montana because living here since 2007 I really enjoy the beauty of the state. Love to all and wishing you all good health. “ *I had the pleasure of working with Jim at Wadena County. He was always smiling and ALWAYS moving. Excellent blade operator and could literally run circles around any of us at work and he often did. A great great guy!*

“ *We lost a special friend when Jim passed away. For several years we dairy farmed and raised our family just south of Jim. We went back and forth all the time. He had a heart of gold and always shared his venison with us. When we sold our farm and moved to town we continued to stay in touch and visit him, he always asked about the kids. We couldn't have asked for a better neighbor and friend. We will miss him. Our deepest sympathy to Jim's family. The Hinkle Family*

Growing up with Jim was so much fun. Always smiling, joking, and teasing. We would be at our grandparents' farm, riding on top of the bales of hay. Jim was a big loss to me. I love you Jim!
