John and Lucy were good friend of my parents, Paul and Mary. He also was a friend of mine. I always appreciated as a young man the respect and care he showed to me and my siblings. He helped me build a set of speakers back in 1976, taking the time to help me when he had plenty of responsibilities. I have kept in touch with him over the years and he always encouraged me and asked about my growing family, He cared and reached out when my son Adam died. John lived his Christian faith, showing in so many ways the Love of Jesus to his family and so many others. I am thankful for his influence in my life.
