“ John and I at one time dated a few years ago even though we parted ways I never stopped caring. He could be so sweet and thoughtful he is gonna be missed but at least he is free of pain and now at peace and I can hear my husband and him laughing and joking around in heaven. I will always love him just as he did me it just wasn't meant to be. And to his family I send my condolences you have a very special young man take care and may his spirit's free and peacefully forever
