“ Dear Lucille and family,
You are all in my thoughts and prayers.
This is a difficult time and I wish I could be there to put my arms around you. John was a good, kind man. My parents, Everett and Amanda Kennedy, admired and respected him when they were members of the garden club in Wadena. I know they had visited your farm home and garden. Take care, Lucille. I'm glad we were able to get to know one another through our membership in Delta Kappa Gamma.
Maureen, our paths crossed at school, at the beauty shop, and at Shady Lane.
I always enjoyed our contacts. You had a wonderful dad.
With love,
Mary Ellen

“ We've known John Jr. for 20 years and were lucky to have met John's father a few times out in Seattle. It's obvious where John Jr. gets his calm, peaceful, and fun-loving spirit. Our thoughts and condolences to the Miller family during these difficult times.
