“ *Luther and family you are all in my thoughts and prayers, Judy was my mentor she taught me so much not just about work but about LIFE I have so many memories I am truly going to miss her, our trips to Vages, 4-wheeling out to eat and most of all our visits she will always be in my heart. “ *My thoughts and prayers to Luther and the family. Judy was an amazing person and I was blessed to call her one of my closest friends. One of my memories with Judy was when she purchased her new camera. We decided to meet up to have an outing to learn our cameras. We took snapshots around the pasture and woods around my home. We ended up by the sheep on the farm, but they were not too camera friendly. So instead of Judy getting pictures of the sheep it was of a squirrel butt and lamb legs. We laughed so hard and had an amazing day of pictures, laughter and conversation. Really missing her now.*
