“ Along with you, we will miss Kenny as we have missed Eileen. That being said, we are thankful to God that they did so well and were healthy for so many years. They both lived well, loved well and laughed well! They were a blessing. You will be in our thoughts and prayers.

“ My deepest sympathy to the family in the loss of Ken. He was a very special person along with his lovely little wife Eileen. I got to know the two of them through waiting on them in Boondocks. We will all miss seeing their smiling faces.

“ Growing up and living next door to the Andersons for a big part of my life was a very special time to me. They were a huge part of my life, and I thought of them as second parents. Going to the lake and learning to water ski started a lifelong love of water and water sports that continues today. I loved them and he will be greatly missed.
