*It has been a very long time since I have seen Ken and Bev. I am Bill Booen's oldest daughter Ruth. I remember Kenny's laugh because it sounded just like my dad's. There was always a lot of laughter when Kenny was around. Thoughts and prayers with all of you during this difficult time. Love, Ruth (Booen) Rusch*

“ *Bev & Family,*

*Kenny was always the rock in this family and has done so much for all of us. He was always the first to help everyone and ask nothing in return. His family meant everything to him and was proud of each of them and loved them dearly. He was generous with his spare time, too, taking kids and grandkids fishing which he loved to do! He was a hard worker all his life. His wife was the light of his life and he has loved her forever. We will miss him dearly.*

*God bless and love you all!*

“ Uncle Kenny was one of the greatest men in my life! He helped me and my mom through some dark times by making those dark times full of light! I will never forget the grin and the little jokes he played on us kids when we were little and even as adults! I found two sayings that I think fits this moment:

*"Nothing can ever take away the love a heart holds dear. Fond memories linger every day. Remembrance keeps them near".*

*"Perhaps they are not the stars, but rather openings in Heaven where the love of our lost ones pours through and shines down upon us to let us know they are happy".*

*I love you Uncle Kenny! You were an amazing husband, father, grandfather, great-grandfather, brother, brother-in-law, uncle and friend!*

*Love always!*
