“ *LaDonna, a beautiful woman full of smiles and life. She taught my children piano lessons for a few years and I always enjoyed the conversations that we shared. Her family, especially her children and grandchildren were her pride and joy and she loved you all very much. Her connection with kids was special, the way that she could make each student that came to her feel special in their own way was amazing! She listened and she cared, and it was all genuine. She will be missed by many. We pray that God comforts you and gives you strength as you go through this difficult time.*

“ *LaDonna was a wonderful christian Wife and Mother. She raised her children in the fear and admonition of Christ and her Son and my player Darin has grown into a great Christian husband and Father. That is her greatest legacy. That her family loves Jesus and serves their community and church. She will be greatly missed and I know she is still praying for her children in heaven. Thank you for a life well lived Ladonna and thanks for letting Jo and I love Darin and Keri and Brennan and Braden in your absence.*

You are all in our prayers.

“ *LaDonna was a wonderful piano teacher and lady. She will be greatly missed. She always had a smile. I wouldn't be playing piano for my church if it wasn't for her. God Bless and see you in our heavenly home someday.*

“ So sorry for the loss of our dear friend LaDonna. While our hearts are breaking here, we rejoice that she is in her heavenly home that she had spent her life preparing for and sharing that promise with all who would listen. Becky especially loved helping LaDonna with children's ministries, planning special music for services and singing while LaDonna played. Larry loved talking "VIKES" or "WOLVES" or the current team lingo for the season and sharing venison summer sausage with LaDonna. She had the love of Jesus glowing from her very core to those around her and she will be greatly missed. God Bless this family as you grieve and know that countless others are carrying this burden with you today. Love you guys~ Lar & Beck
