“ We pray that the LORD will be your rock, your fortress and deliverer, the One in whom you can take refuge. He will be your sheild, the horn of your salvation and your stronghold. We pray that you will find comfort in the Lord who does not change as He pours out His compassion on you and your family.

“ Larry always had a smile on his face plowing snow, street sweeping and any other public service he performed. His enthusiasm was always infectious as he laughed about the day's events.

*May you find peace and our thoughts for the family.*

“ When I married Jason I was welcomed into the family by Larry. He was the one I could count on to give me laughs and we had great fun giving eachother a hard time. It brings me great sadness that another Rohr has gone before us from colon cancer. I pray that he may find peace and I pray for his family.

“ Larry was a true inspiration to all the people that fight the disease of cancer. My memories of Larry as I was growing up in the town of Wadena was his warm smile and wave as he proudly drove a City Of Wadena Truck or the Street Sweeper. He was a very kind man!

*May you rest in peace!*

“ *Larry and I started out together in life. We were neighbors and best buds as soon as we were old enough to play outside together - and we were inseparable until we went to kindergarten and were put into two different classes. I have always had a warm place in my heart for Larry - I know he is at peace now with his Mom & Dad. Even tho we didn't stay close after they moved from our neighborhood - over the years I did see him occasionally - it always brought back good memories for me. He was always the same, sweet Larry. To Gary, Greg and his kids - my thoughts and prayers are with you.*

*God bless you and your family.*

“ I really enjoyed working with Larry on Saturday mornings @ Fix's Foods. Having worked with him in the 1970's at Super Valu, and then having him come back 30 years later was just a treat. He understood the grocery business, and was always Mister Steady. He made sure the kids were always working, and did everything that was asked of him. I always knew the weekend duties would go smoothly, when Larry was there getting them off to a good start.

*Thank You, Larry, Rest in peace*

“ On behalf of the faculty and staff at the West Campus of Central Lakes College we extend our sympathies to Larry's family. Gary spoke highly of his brother and showed great concern during his illness. May the memories of all the good times you had growing up as brothers and friends bring you comfort in the days ahead.
