“ *My friend. My Saturdays spent with you in the beauty chair. Strawberry picking. People watching in Brainerd. Sundays around that kitchen table I won't ever forget the feel or smell of. Every holiday of my life. Our birthdays. Coffee and fresh baked lemon poppyseed bread. Your wrinkled up nose laugh. Falling asleep on your living room floor with that pink blanket. Your inadvertent humor. Your pronunciation of certain words. Your date cookies. Watching you and mom in the kitchen creating magic. Your strength, your compassion, your faith, your wisdom. You have been in every beautiful memory of my childhood, and I am honored. Thank you for being the grandma I always dreamed of, loved and cherished. I'll see you in paradise soon!*
