“ *LaVonne was one of the nicest people I have known. She would come into the Library and run copies for 2nd grade, a smile always. She was loved by everyone at the Bertha-Hewitt School. We will miss her soooooo much. God Bless your family.* ”

“ *I've known LaVonne for all of my life. I grew up at her house from infant to about 12 years of age. I have so many memories of her. She was a great lady and I thank her for the many things that she taught me. One of my first remembrances was when she would be doing dishes and we would sing together. The first song I ever learned was "Jesus Loves Me". I thank her for that. You always knew where her faith was. We would play cards together, take walks, and she would read to me. I was always excited when Christmas came around her house it was so cheerful with Christmas things. I remember her doing lots of baking that time of the year. One precious gift I received from her at Christmas was an afghan that she made for me. I proudly display it in my home to this day. So many other memories of Lavonne, too many to list. She will be missed. My thoughts and prayers go out to her family in this difficult time. LaVonne I'll miss you.* ”

“ I have such wonderful and fond memories of LaVonne throughout my childhood. LaVonne was so active in our church (Trinity Lutheran Church of Hewitt) and I remember as a little girl tagging along with my Mom to Ladies Aid and we would stop by to pick LaVonne up sometimes. You would see LaVonne volunteering and ready to roll up her sleeves whenever there was work that needed to be done.

I remember her welcoming smile that just warms you whenever you would see her. I remember taking my parents to The Senior Citizen Center and there LaVonne would be playing cards and she would be the first one to jump up and greet us. I was blessed to know this wonderful woman who was truly a reflection of God's kindness, love and mercy. May God's grace strengthen you and your families and friends during this difficult time.
