“ I am the HHA/HM coordinator for Tri-County Hospital Home Care/ Hospice. I used to be Lawrences HHA until I took over the coordinator job. Even so I had many oportunities to talk with him over the phone. We had some wonderful talks. I will miss him.

“ I remember visiting the Haisman farm many times in my youth. I remember baking breads, eating ice cream, playing cards, and holding newborn kittens. The house was always full of love and laughter. My memories are many and very happy. I thank Aunt Helen and Uncle Lawrence for all the good times and wish Leo all the best.

“ *Lawrence will be missed by all who knew him. Some of my best childhood memories were when we spent time up on the farm. From playing cards to playing pool in the basement, fishing on blueberry lake or going by snowmobile to the neighbors to play cards. I will always treasure these memories.*
