“ We all go through different feelings at a time like this, but when a father & grandfather passes away it always reminds us that a part of us moves on too. MaryAnn & I want to send our condolences to Leon's family. Cherish the good memories, love & enjoy those who are still here with us and make good use of the days God gives us on this earth.

*Blessings,
Francis*

“ It was good getting to know Leon Here at Fair Oaks. He had alot to share with those around him, and could put smiles on the faces of others. We will miss him at bingo as he always had comments to make about the caller not doing a good job. Thank you for sharing Leon with us and may he rest in Peace.
