“ enjoyed the tribute brought back memories of Les and his hospitality.  
He allowed me to hunt his land and came to the rescue when my wife Linda got my truck stuck.  
Didn't matter how cold it was he was there with a hot cup of coffee and a chunk of cake.  
Enjoyed getting together just for conversation.  
May he rest in piece and remain in our hearts.  
he will be missed.  
Jon.

“ Les always welcomed you to his home and ensured you never left with a empty belly, his cakes and coffee filled you up and kept you warm.  
With love Linda

“ Les was always so kind to the "Rentz Kids." I loved going to visit his farm. He always had a light hearted sense of humor. I visited with him at Mom's funeral a month ago and have such fond memories of him. Rest in Peace Les.
