August 2, 1958 - October 12, 2006

A memorial open house for Lew Schlieff, of Browerville, MN and formerly of Lowry, MN will be held on Thursday, October 19, 2006 from 4:00 until 8:00 PM at the Domian-Anderson Funeral Home in Bertha. A prayer service will be held at 7:30 PM on Thursday. Lew passed away suddenly on October 12, 2006 in Monticello, MN at the age of 48 years. Lew Arthur Schlieff was born on August 2, 1958 to Clifford and LaVern (Boseck) Schlieff of Reno Township, Lowry, Minnesota where he grew up and attended school. He spent his childhood years helping on the family farm. After school he went on to carpentry, cars, antiques and owning a junkyard in Eagle Bend, MN. He had a great love for anything antique, animals of all kinds, but most of all the very many children in his life. He loved them all and they made him very happy. He lived by the philosophy: it doesn't matter what anyone thinks, in fact, the stranger the better. Lew was preceded in death by his father Clifford Schlieff and brother Wayne. He is survived by his companion Stephanie; mother LaVern Schlieff; sons Trevor of Rochester, MN and Tyler of Browerville; daughters Amie Borash of Glenwood and Amber Green of Lowry; grandchildren Landon Schlieff, Rose Borash, Brock Green and Isabelle Green; brother Randy Schlieff; sisters Stella Radil, Kathy Pahan; Vicky Schlieff and Lori Goss; and many nieces and nephews.

“ *Lew was, and probably still is, a free spirit that we are privileged to have known. He has had an impact on all our lives that we will never forget. The memories are priceless.*

“ There was usually a laugh involved when Lew was around, it's been a long time since our paths have crossed, but Lew's life - as colorful as it was - holds alot of good memories. My sympathy to you the family, may the memories you hold become a part of the healing process and keep him close to you always. The class of '76 reunions will miss him for sure.

“ To Lew's loved one,

May the caring of family and friends help the hurt in your hearts these days. Kali thought the world of Lew and although I only met him a couple of times, if Kali loved him, so do I. The on-line video is wonderful.

“ I am Lew's lil' sister In tribute and honor of my brother Lew, family and friends. My thoughts and prayers are with you all and my desire was to be there for you all, but sometimes there's just not a way. We are all Blessed to have special and unique memories of Lew, here are some of ours;
Growing up with Lew, being only 18 months younger, he was my big brother and many times my hero. Thinking back , I can remember sitting on top of the hill , where the ol' thrash machine was put to rest, watching and waiting for mom and dad to come home. It seemed like we could see everything up there. And the times he'd talk me into getting up on top of the barn, he'd know about what time mom and dad were going to be home and just before, would leave me up there to get in trouble, knowing I couldn't get down, or the times he'd convince me that the electric fence wasn't on and he'd laugh knowing I'd touch it and get a shock. I'd trust him each time- I thought he was something else- He'd hang on to the fence and not get a jolt (must of been the big rubber boots he was wearing- who would of thought) Or when mom couldn't figure out why I'd sooner sit in his car "Road Runner" when it was parked, rather than a drive home from school at 100 + MPH,(listening to Help. Help Me Rhonda, for the umteenth time) was lil' to fast for me. But even thru all the pranks he always has his own way of trying to help. As many of us are experiencing a great loss today of a husband, dad, grandpa, uncle, brother and friend. We as a family need to pull together and encourage one another thru this hard time. Jesus went to the

*cross for you, the Bible speaks that we need to lay our burdens at his feet. It will take time but we have a promise, He will heal the broken hearted. Love You All, Lori

“ Growing up we were the "city cousins" who spent alot of time at the farm. Even though over the years we kind of lost touch, the memories are still very vivid in my mind and in my heart. Just like Lori said, we were all so gullible and let Lew get us into all kinds of mischief! (and we loved every minute of it!) Thank you for sharing the video, he left behind a beautiful family in which his pride showed in all the pictures. In saying "goodbye" we all hold tight to memories and stories that made those days the "special days" that when we look back they warm our hearts. Love to all.

“ In the early years, our families were tight and the kids were close. As years passed, the kids grew up and the "kids" start having kids. But we always go back to summer days, weeks spent on the farm and good old fashioned family time. Lew will be missed as everyone was put on this earth for a reason and a season. May God Bless him and all who knew and loved him.
