“ *Dear Jarel, Jarvis, Gavin, Galen, David and families:*

Marlin and I want to extend our deepest sympathy to each and everyone of you. Aunt Lillian was a wonderful lady and will always have a special place in our hearts. She loved Uncle Ruben and her boys. The last time we saw her she looked great and was so happy to be a part of the "Hieb Reunion". She was so proud of you hosting the event. As you know, it is hard losing parents. Keep the faith, stay close to each other and keep your mother's memories in your hearts forever. Take care. We love you.

“ Lillian was a special lady. She came to stay with us when our parents were on vacation. We had a lot of fun with her. I also remember her calling for the Bartlett news article that was in the paper every week. I am sorry for your loss. Sending thoughts and prayers to you all.

“ Family, we were very saddened to hear of Lillian's passing. She was a very remarkable lady. We have so very good memories of Lillian and times spent with her. She was a fun, caring, and considerate person who was very special to not only us but our kids also. We loved her and we are consoled to know that she is now at home with her lord and her beloved Reuben. You are all in our thoughts and prayers.

“ I'll always remember Lillian. She babysat me when I was young and made me the neatest basket from beads and safety pins. I still have it and treasure it. Lillian was a wonderful person. She will be greatly missed.
